PLEASE NOTE: PaTTAN has implemented a single-sign-on system for both the new website and our online registration system for events. If you already have a user name and password to register for trainings, use those same credentials here to login.

## **PaTTAN - Biology Principles And Explorations**

Biology: Principles and Explorations mainly focuses on telling the energy side of the story, which is more abstract than the matter side. The energy ideas are introduced at the cell level (p. 45s), then presented in the context of thermodynamics (p. 77s), then in terms of the chemistry of photosynthesis (p. 96s), then at the ecosystem level (p. 343s), and finally in terms of human nutrition and digestion (p. 904s).
