VIN Guides - Ford Motor Company

Keeping maintenance records is easy with the Scheduled Maintenance Guide. It's important to document the maintenance of your vehicle. Every time you bring your vehicle in for scheduled maintenance, be sure to present this guide and certify the work. Also record the date of service, mileage at the time of service, and attach your receipt.

2004 Model Year Scheduled Maintenance Guide

Owner's Maintenance Guide should be changed at the specified interval or in conjunction with a repair. Flushing is a viable way to change fluid for many vehicle sub-systems during scheduled maintenance and should only be done using the same fluid required to finish the maintenance procedure, or a Ford approved flushing chemical.

2007 Model Year Scheduled Maintenance Guide

Ford Mustang General Maintenance. As much as we love installing cold air intakes, tunes, exhaust headers, and other go-fast parts, it's just as important to make sure your car is operating at prime efficiency. Maintenance is important for safety, but also your Mustang will perform better and be more powerful if all of its parts are in optimal shape.
