with Mapbox as well as geodesign for their projects. Besides, the sketchup users can also transform their models and plans to real world.

## **Mapbox Sketchup Plugin for GIS professionals**

Unfortunately, the Google SketchUp plugin is no longer being actively supported by the SketchUp team. We've spoken with them about it and they've been refocused on to other development tasks (instead of updating the plugin). So it's not going to be guaranteed to work with the latest releases of SketchUp or ArcGIS.
