I raise these questions because I value intellectual exchange and would like to see it flourish, not flounder, in the face of heated disagreement. Many can agree that open-mindedness—a willingness to consider new ideas and arguments—is a positive characteristic of an active mind. Thus, students should be encouraged to be open-minded.

The benefits of intellectual open-mindedness | Times ...

The Jet Stream How the earth's rotation effects the west to east direction of the jet stream. Jet streams are relatively narrow bands of strong wind in the upper levels of the atmosphere. The winds blow from west to east in jet streams but the flow often shifts to the north and south. Jet streams follow the boundaries between hot and cold air.
